Professional Summary

Graphic Designer with a passion for visual communication and branding since 2020. Started learning design through self-study and gained practical experience by working on freelance platforms throughout high school, collaborating with educators, content creators, local businesses, and student organizations. Skilled in Adobe Photoshop and experienced in Social Media Design, Thumbnail Design, Branding, and Print Design. Since January 2026, I have been learning Artificial Intelligence and Programming to enhance my creative workflow, improve efficiency, and develop innovative design solutions. Committed to creating impactful visual experiences that combine creativity, strategy, and purpose.
